DROPS DEAD AT SAUSALITO

John Watt Pioneer of This Valley Stricken While On Way To Visit Friends at Point Reyes.

John Watt, Sr. a pioneer of Sonoma Valley who has resided in Oakland the last few years dropped dead at Sausalito Wednesday morning as he was about to board a train for Point Reyes. Mr. Watt was on his way to visit his young friend, James Kehoe, and had just inquired for the right train at the Sausalito terminal when he pitched forward and died of an acute heart attack.

Three grown daughters, an only son, a brother Mathew Watt and a sister, Mrs. Wainwright of Tuloumne County are left to mourn a devoted father, brother and splendid friend.

The funeral will be held here this morning after the arrival of the train There will be services at St. Francis Church after which interment will be beside his late wife in the Catholic cemetery.

John Watt was a sterling citizen and came to California from Scotland in the early sixties. He owned a fine ranch near Schellville for many years and was highly regarded by all who knew him. He was about 77 years of age.

HONOR FOR SONOMA LODGE

Valley of the Moon Chapter has had the honor of having its Matron once again appointed to the position of District Deputy Grand Matron, 10th District. The honor has fallen to Mrs. Burmester who was appointed at Santa Cruz in recognition of her brilliant work during the past year. Mrs. Burmester will be called upon to visit the lodges of Vallejo, Napa, Calistoga, St. Helena, Benecia and other places in her official capacity the ensuing term. Sonoma's gracious matron accompanied by her husband spent five days at the Grand Chapter session at the Casa del Rey. and Santa Cruz.

Lodge members similiarly honored by Grand Chapter appointments in the past have been Mrs. Henry Bates and Mrs. B. Bordson. As the honor has again fallen to Sonoma Mrs. Burmester is more than pleased as are her many friends.

D. Volquardsen and son have just completed boring a well on the property of E. Forni and struck a fine spring of water and plenty of it, so there is no use to try to keep Vineburg "dry" even if there is no "kick" coming.

See on page three of this issue the new time table of the Richmond-San Rafael ferry service, effective November 3rd.

RED CROSS AT DON THEATRE

"The Heart of a Nation" To Be Shown Next Friday Night To Speed Up New Membership Drive. Santa Rosa Speakers Were Here Tuesday,

It has been decided to present "The Heart of a Nation", the famous illustration of Red Cross work at the Don Theatre next Friday night as an aid to making Sonoma's new membership in the Red Cross a proud record. The entertainment will be free and in addition to the slides, there will be music, including a vocal solo by Mrs. Hamil Wagnon. Everyone is invited and urged to attend.

On Tuesday the Red Cross met at the Grammar school auditorium and were addressed by Miss Clara King of the Santa Rosa Chapter and Miss Clock, Home Service nurse.

Miss King reviewed the work of the branches affiliated with the Santa Rosa Chapter and complimented Sonoma on its fine work during the war. She said that the $18,000 accumulated by the Chapter, had been budgeted and $4,000 appropriated to Public Health Service, a department which the Red Cross is now covering in a splendid and effective manner.

The balance of the fund was forwarded to the National office of the Red Cross for general work and emergency. She advised Sonoma to budget whatever funds this branch had on hand and after keeping a reserve for local emergency to send the balance to Santa Rosa and it would be forwarded to general headquarters.

Miss King reviewed the fine aid given by the Red Cross at the time of the flu epidemic both in Santa Rosa, San Francisco and elsewhere. She told of the Home service work now being done and in which this community and all other towns having branch Red Cross organizations will share. The service includes a baby clinic, classes in Home care of the sick, clinic once a month for adults and other charitable activities although as dispensed by the "Greatest Mother" it does not savor of charity but is as the name implies, Public Health Service.

The new membership drive plan was suggested that each local lodge and organization show a 100 per cent enrollment in the Red Cross. The schools will also aid in the drive

Miss Clock told in detail of the service being put at the disposal of the public through the Red Cross and said Sonoma could have clinics and the 15 lessons in Home care of the sick including the Prevention of sickness, Housekeeping, Babies care, Temperature and Respiration, Feeding the sick, Giving medicine, Care of the sickroom, First Aid etc,

Mrs. L. H. Green of the County Service Bureau and Mrs. C. E. Johnson of the Home Service department of Sonoma's Red Cross told of the aid given right here in our own community. At present, a family in need where there are six children are being aided. Two children and the mother were sent to the County Hospital for treatment this week and a five months old baby and the other children are being looked after by these ladies..

Letters calling the attention of everyone in Sonoma Valley to the laudible work of the Red Cross and asking their membership in the new drive are being sent out and by the coming week, the enrollment will be well on its way.

Among the arrivals of feed and grain was a straight car load of between 500 and 600 sacks of white Egyptian corn, the first of the new crop to arrive in the valley and a choice car of grain.

Mr. Edward Leveroni a young business man of San Francisco visited his mother on last Sunday. Mrs. Leveroni is the guest of Mr. and Mrs. John Batto.

SONOMA GIVES U.C. SUPERMAN

Donald Cameron One of Best Specimens Discovered Among Berkeley Entrants.

Sonoma has established a proud record in giving to the University of California a real superman. He is Donald Cameron, the brilliant young High School student who graduated last June and entered Berkeley at the Fall semester. Several hundred Freshmen entered U. C. and went through the usual tests and examinations. Out of these about sixteen were pronounced physically perfect and declared to be California Supermen. Donald Cameron was one of these.

He is a son of Mr. and Mrs. Cameron of this place and grandson of Mr. and Mrs. W. K. Coleman. He comes of sturdy English stock.

The news has delighted Sonoma Valley friends, former classmates and teachers but is no surprise for the latter as Don Cameron was always acknowledged to be an extraordinary young man with a mind and body above the average. He was valedictorian of his class and took a prominent part in athletics. During the last call for the younger class of army entrants, Cameron went into the service of the U. S. A. and started training.

Alex McDonald who bore registration card showing Schellville as his residence and wearing a hat bought from a Sonoma merchant, P. Boccoli, was murdered in Yuba County The Sheriff communicated with local officers but little is known of the man except that he had worked on a hay press in this valley.

Miss Nellie Peterson won the door prize at St. Francis Fair Thursday evening and received $5 cash.

During the past two months some 40 cases of diptheria have been reported in Vallejo.

DR. F. O. BUTLER TAKES BRIDE

Superintendent of State Home Weds Tilly Fredericks, Petaluma Girl.

Dr. F. O. Butler,, prominent physician and superintendent of the State Home at Eldridge, took out a license in S. F. Wednesday to wed Tilly Fredericks, office employee at the institution and daughter of a prominent Petaluma family.

Doctor Butler has been in charge of the institution since the death of Dr. Dawson and has won splendid commendation for good work. For some time past he has kept company with the stately young woman whose work in the administrative offices called forth the admiration which led to the altar.

Dr. and Mrs. Butler will be much congratulated upon their return to Eldridge.

SERVICE MEN ATTENTION!

To-night at the Grammar School the American Legion will be organized. It is the new grand army organization. All Sonoma boys are urged to attend.

Mrs. Allan Bryan, wife of a former Sonoma resident and mother of a former Sonoma teacher, Miss Alice Bryan passed away in Santa Rosa and was laid to rest there this week.

No. 92 won the black lace scarf sold for the Harvest Carnival benefit. Jep Valente was the lucky one and now they say Jep is looking for a Senorita to present it to.

W. D. Foley will leave for San Diego where he will spend some time for the benefit of his health. After strenuous and nerve tension work as Chief Engineer of the Leviathan which carried thousands of our troops safely overseas despite many submarine attacks, Mr. Foley returned to his Sonoma home where he found his wife in poor health and for weeks prior to her death he was in constant attendance upon her. His bereavement and the reaction of war work have made a complete rest in mild climate and new enviornment imperative.

Work on the new athletic field purchased by the High School recently has been held up owing to a question of title which the Misses Monahan, sellers of the property have been asked to perfect.

Word from the Columbia Hospital, San Jose, is to the effect that Mrs. Ralph Murphy is rapidly recovering from the effects of her recent operation.

ST. FRANCIS FAIR NOW IN PROGRESS

Hon. S. M. Shortridge Listened To By Fine Crowd On Opening Night. Success Assured Ladies of Parish.

St. Francis Church Fair opened very auspiciously Thursday night and one of the best crowds in the history of opening night attended. In addition to the good cause and Rev. Father Byrne's popularity, the magnet which drew the crowd was the presence of Hon. Samuel M. Shortridge who arrived according to schedule and whose talk on the League of Nations was listened to with immense interest. Shortridge who is one of the most brilliant and powerful opponents of the League declared he was for America first and depreciated entangling alliances. He assailed the League as opposed to the principles upon which this country was founded and did not want American troops to fight other nations battles. His witty sallies such as the illusion to the impossibilty of he and Hiram Johnson ever being ambassadors to England and his expressed preference to be ambassador to Ireland called forth much applause and laughter.

He sounded a warning against the sinister danger of I. W. Wism and called upon everyone to uphold the laws of this fair land..

Mr. Shortridge was met with a machine at San Rafael by Messrs H. F. Bates, Jesse Burris and R. R. Emparan who drove him up here where he was met by Rev. Byrne who entertained the party at a fine duck dinner. Shortridge later addressed the audience in Union Hall.

St. Vincents band is a nightly feature at the Fair in addition to many other excellent program numbers. Many handsome and valuable articles are being disposed of for the good cause and tonight the big affair will close in a blaze of glory.

The song recital to be given by M. Sokalay, dramatic tenor, will be given under the auspices of the Womans Club Tuesday evening December 9th.

A. R. Larsen of Loveall valley has had a fine well bored by Oscar Studley, the returned soldier, and at 132 feet plenty of water was struck.

Mrs. Joe Kiser has purchased a Sonora phonograph through the agency of Al Stein.

JACK LONDON MEMORIAL MASQUERADE SUCCESS

Chauvet Hall, Glen Ellen, was the scene of a highly successful masquerade ball last Saturday night. The Glen Ellen Womans Improvement Club who gave the affair have added new laurels to their splendid record in building up a substantial fund for a library to be erected in memory of Jack London.

The hall was crowded with merry maskers and prizes were won by Messrs Kynoch as Charley Chaplin, Frolich as a Zula, L .Brandt as a school boy, Mrs. Dunston as a Circassian dancer, Mrs. Sinclair and Mrs. Rogers.

Proceeds will run into three figures and the ladies of the club are well pleased with their success.

A letter from Wm. Russel's family of Pontiac, Michigan says they are well and prospering including their soldier son, Russell, who is holding a good position there since being mustered out of the service. They renewed their subscription to the Index-Tribune saying, "we are all anxious to get it and see what old Sonoma is doing."

Mr. and Mrs. Levillian and Mr. and Mrs. Mazue (nee Froment) were up from San Francisco Sunday on a visit to the eA. Froment home.

Mr. and Mrs. Zane and a party from Woodland, Yolo County were here Sunday and took tthe Claude Johnson family with them on an outing to Santa Rosa.

William Clewe of Sonoma was transacting business in this vicinity on Thursday.

The last carload of dried fruit containing about 20 tons was shipped from Battos spur on Friday by John Batto & Sons and cleans up the season of 1919.

Louis Rouquie has returned to Mare Island to resume his duties in the U. S. Radio Station.

The Gundlach-Bundschu Co. are still operating their dryer at this place.

Leut. and Mrs. Brown of San Francisco were the week end guests of Mr. and Mrs. D. Rubke at their romantic home, Belle Vista.

The Great Menace

THERE IS NO USE of concealing the fact that an industrial revolution is brewing in the United States and elsewhere throughout the world. The fact that democracy has advanced here toward a state of acknowledged perfection has not made us immune from the poison of radicalism. Witness the sentiment voiced at a recent socialist meeting in New York the report of which in the New York Tribune of Monday October 6th states, "Bolshevism was cheered to the echo yesterday afternoon in Public School 147, Williamsburg, where Socialist candidates held forth. The speakers took a few raps at the American Constitution, saying that this country was at the very bottom of the ladder of social democracy and that the election of Socialist assemblymen was a certain proof that Bolshevism was coming whether the rest of the community liked it or not." Further along in the proceedings we read, "all the countries except America are contributing to the New World said Pavloff" (get the name). "They are talking about revolutions in England, Italy and France, but how about America?" Supplementing this incendiary line of talk is the statement "In this country we have the greatest autocracy the world has ever seen."

The leaders in the movement to repudiate modern social arrangement are as keen to foment anarchy here as their "comrades" in Russia.

The movement fathered by President Wilson and for which the United States stood sponsor in the recent world war that of fighting for democracy's elevation and championing the cause of the masses has served to make bold what has always been a menace and brings us now face to face with an unrest and insubordination of an alarming character.

It was apparent to many from the outset that the element Wilson sought to conciliate was an implacable one which wanted no champion who would not turn over the reins of government to radicals or recognize them fully. This spirit has been amply evidenced and within the portals of Wilson's own country the many whose cause he championed have swept aside every vestige of respect for him, this county and its institutions and through disgraceful strikes and riots, make common cause with Bolshevism and the rabid subjects of despotic governmentt.

Proof that labor is not to be conciliated but accords with preachers of "get all you can and the public be damned" may be seen by the continued demand of the Railroad employees who in the face of the worst showing in the history of American transportation has the effrontery to threaten another strike. The Railroad men too eager to gain their point have given labor's hand away however and in fact spilled the beans for other workers on similiar purpose bent and suggest socialistic panacea soviet nonsense such as the purchase of the railroads by the government and the running of them by the Brotherhoods. Fortunately enough of a tryout has been given us by the impetuous trainmen hurrying forward to their Utopia to prove to the public that such socialistic dreams are hideous nightmares when translated from theory into terms of service. It was fortunate that the experiment along the line of this communistic arrangement should have been forth coming from railroads, a service with which we all were in daily touch and with which we were better acquainted than almost any other. Our contact with railroads and interest in their workings made the people very alert and sensitive to results. What they have been under improved working conditions achieved by strikes and continued threats and demands is poor testimonial of efficiency and fine treatment when viewed from the public's point of view nor has it brought anything to those for whom we suffer poor service and dig up increased rates but unrest and anxiety to dominate. It has proved a nucleus for widespread dissatisfaction and been the breeder of strikes nation wide and a disgrace to the country.

President Wilson has of late been the subject of criticism and the object of the accusing finger from many directors. Some shamefully malicious and unjust but in the present situation he must take the blame for pampering elements which bigot present chaos and should step out of the White House with such idealism packed in camphor and mothballs for future reference when evolution has gone on apace..

LEAGUE OF NATIONS SENTIMENT HERE

A petition urging Hiram Johnson to desist from further attack on the League of Nations was sent here for signatures of the Sonoma Valley Womans Club at the last meeting. Fifteen ladies signed it and it was then forwarded to the Senator. Clubwomen all over the state took similar action.

Mr. and Mrs. L. S. Simmons are on a motor tour down South. A licensed druggist from S. F. is filling Mr. Simmons place while Gladys Simmons is looking after other departments in an efficient manner.

State Superintendent of schools Will Wood has ordered an investigation of socialistic propaganda in the public schools throughout the state.

FRANK BURRIS RECEIVES ASSURANCE THAT STATE ENGINEERS WILL BE HERE SOON

President F. M. Burris of the Sonoma Valley Bank and member of the County Highway Association has received assurance that the state surveyors will be here very shortly to lay out the Schellville to Santa Rosa road.

Mr. Burris took up the matter with J. L. Peters, of the Association, and when Mr. Peters was in San Francisco attending the conference for the establishment of the new ferry service to the Marin shore, he saw Division Engineer Clark of the State Highway Commission and Mr Skaggs his assistant. Mr. Peters told them of the city of Sonoma's plan to connect up with the state highway and stated it was imperative that the surveyors get here so that Sonoma might find out just where the Schellville-Santa Rosa road will touch the city limits. The state engineers assured Peters that their surveyors would be sent to map out the new road from Schellville to Santa Rosa "within a fortnight".

County Engineer Aldrich has not yet rendered his report and estimate on Sonoma's proposed streets which is preliminary to the calling of a bond election.

MOVING PICTURE IN REAL LIFE

Dramatis Personae

Knockout John — John Mohr
Rowing Rauol — Dal Emparan

Time—The Dry Age.

Place—The Public Street.

PROLOGUE—Two leading citizens of the era, one a tall, handsome theatrical man, the other dark and handsome scion of an illustruous family met in the public place and discuss the veto of wartime prohibition and its aftermath, congressional overriding of that measure. Vocabulary warms up and both press their views on the all absorbing vital topic. Plenty of exercise, mostly of the lint mastication variety, ugly epithets and peppery rejoinder.

ACT I

Parties to the controversy meet face to face on an up-town street and hurl mighty invecitives. Knockout John resents verbal punishment and decides to get fighting blood out of his system. He swings at "Dal" who covers. Kind hearted citizens intervene. City Marshal to the rescue.

ACT II

Judge Small's Court. A warrant is sworn to by the illustrious descendant of Sonoma's founder for Knock out John's arrest. Warrant served. Theatrical man hailed into court. Fined 5 bones. Says he did not get his money's worth. Judge refuses to give him another chance at antagonist. Curtain.

It is rumored that a prominent El Verano couple have decided to separate after about seventeen years of married life. There are two children and the wife is said to have consulted a Santa Rosa lawyer.

ANOTHER RETURNED SOLDIER BOY IS TO WED SOON

Louis Brown, son of Mr. and Mrs. Thos. Brown of this place, who is employed in Los Angeles and recently returned from France where he was with the U. S. Army is to be married on Thanksgiving to Miss Winifred Stewart, an esteemed young lady of Southern California.

Louis Brown is a Sonoma boy who has made good in the business world and his fine technical knowledge of machinery made him a valuable man to Uncle Sam. After working with the aviation and dirigible departments at various cantonments here he went over seas. At the signing of the armistice and previous to it while enjoying a furlough, he travelel extensively and visited relatives of his mother who live in France.

Miss Stewart his fiancee has visited Mr. and Mrs. Brown here and Mrs. Brown visited her prior to Louis' leave-taking for the army. The familes are extremely happy over the approaching nuptials and Sonoma friends join with them in extending hearty good wishes to the young people. They will reside in Los Angeles.

KENWOOD RA... MEETS ...C DEATH

The fluttering of a turkey's wings in his face, blinding him, is supposed to have been the cause of William Brusa falling from the top of a tank house at his ranch at Kenwood Friday and being instantly killed. He fell from the tank early in the morning, but it was after dark when his body was found.

The turkey had been roosting on the tank house and Brusa attempted to get it down. The result was that he lost his balance and fell, striking on his face with his left arm and leg doubled underneath him. Both limbs were broken.

The deceased was a native of Italy and aged 62 years. He was a stone cutter and worked in the quarries near Keenwood. Of late he had been residing on a small place near there.

Surviving is the widow, two sons and a daughter.

Coroner Phillips held an inquest, the verdict of the jury being accidental death.

Mr. and Mrs. A. S. Harris who came here recently from the Sunny South are pleasantly located at the home of Mrs. Amelia Bates. Mr. Harris is with the firm of F. Duhring

The Sonoma County Teachers Convention went on record for the League of Nations and wrote to Johnson also.

Mr. and Mrs. Taylor and daughter arrived from Illinois this week and joined their son and brother who had rented the W.D. Foley home for them and the family is now very pleasantly located here. Mr. Taylor decided on Sonoma Valley after looking over many other localities as a future home for his folks from the East.

INDEX-TRIBUNE IN NEW LOCATION

These are moving days and we beg indulgence of our readers until we get settled in our new location. The linotype and newspaper press have been already installed in the new office but moving and getting out a newspaper the same week is some task. The editor had the news material and could have written many a goodly column but the mechanical end could not handle it this week.

The Index-Tribune now located in the Maffei block with its new press and other equipment will better than ever serve its many patrons. It is our constant aim to continually improve the paper and give better service. The progress indicated by our present good move indicates the appreciation of this service and a healthy growth of which we are proud

PITFALLS FOR STUDENTS TO BE GUARDED AGAINST

The organization of the Parent-Teacher body at the High School brought out the necessity for parents to co-operate with the teachers in a closer supervision over pupils outside of school hours for the good of school morale. A recent expose in which a number of High School boys were involved led to the call from Prof. Golton for the united effort of parents and teachers to guard against pitfalls for young people in the community.

Rev. M. Cookman of the Congregational church addressed the meeting and made an earnest plea for activity along these lines.

Prof. Golton was elected president of the new association and Mrs. Erickson, secretary.

Those who attended were: Mr. and Mrs. Whitmore, Cameron, A. L. Gale, Mrs. Julius Poppe, Gilbert, Erickson, P. Robin and Stockwell, Messrs Ring Watters and Cookman.

The organization will meet monthly.

YOUNG COUPLE WED SATURDAY

Miss Clara Peterson Is Bride of Richard Rahwyler at Mission Dolores Church in San Francisco.

At a pretty but quiet ceremony at the Mission Dolores church last Saturday night, Richard Rahwyler and Miss Clara Peterson, winsome daughter of a well known Sonoma family and sister of Miss Nellie Peterson, Supervisor at the telephone office here, were wed. The young couple have been sweethearts for several years and when Mr. Rahwyler left Sonoma some time ago to accept a position in San Francisco, he had won the promise of the fair girl to some day be his bride. The young man had been employed by the Union Iron Works but since the strike has been working for the Ranier Brewing Company. He is a son of A. Rahwyler, formerly in the jewelry business here.

The wedding ceremony Saturday last was attended only by the contracting parties and Mr. and Mrs. Emil Andrieux who stood up with them. The honeymoon is being spent at Sacramento after which the young couple will reside in San Francisco.

Mr. and Mrs. Will Ashe were in town Tuesday. Bill is still on crutches as a result of a bad fall at Glen Ellen some time ago.

RYAN ARRESTS ARMED ROBBERS

Pair Alleged To Have Robbed Stores Last Week and Also Bates and Hotz Stores This Week Are Captured In Vallejo.

Deputy Sheriff Joe Ryan added new fame to his record as a clever officer by capturing two men in Vallejo Monday whom he alleges were responsible for the series of robberies which startled Sonoma last week and Sunday. Following on the heels of the Maffei and Bear Flag Garage robbery came the looting of H. F. Bates' furnishing store and the G. H. Hotz dry goods store which were entered at an early hour Sunday morning. Several hundred dollars worth of goods including silk shirts, shoes, suits of clothes, womens apparel, bath robes, suit cases and baby goods were stolen.

Deputy Sheriff Ryan took up the trail and with his gifted detective skill was soon headed for Vallejo where he located a jitney driver, Tom Sisto, suspected by Ryan of being connected with Sonoma's robberies. Sisto was taken to police headquarters and sweated, where after three hours, he broke down and confessed and implicated a sailor, E. E. Slatten, of Mare Island. The pair were arrested by Ryan and Deputy Barnes who went to the houses where the stolen stuff was cached. Sisto's wife who is about to become a mother revealed much of the stolen loot. Ryan loaded it all into his car, including dry goods, and the tires, tubes and rifle stolen last week from Garry's Garage and Maffei's market.

Sisto was brought to Santa Rosa and jailed. The sailor is held aboard his ship, U. S. Destroyer No. 108 to later be turned over to Sheriff Petray.

The daring duo who came to Sonoma to pull off these robberies were armed with a .45 calibre automatic army pistol and would have undoubtedly shot to kill if they had been interfered with on the night of the crimes.

But little money was secured on any of the jobs as G. H. Hotz and son disposed of $100 in silver just before closing up time Saturday night and other merchants had taken similiar precautions. Almost everyone robbed was surprised at the amount of loot taken from them and when Joe Ryan drove up with prisoner and the goods Monday night he got a deserved ovation.
